Do you aspire to write a best-selling novel? Want help getting your story into publishable shape? Need assistance conveying what you see in your mind on the page? This acclaimed 39-week course helps writers of all levels develop the techniques and skills needed to do just that and more.

During each writing exercise-led session, award-winning author A. R. Levett guides you through developing different aspects of your story, such as the conflict, characters, theme, setting, symbols, plot, scenes, and writing skills. By the end of the course, you will have thoroughly developed your novel and be well on your way to completing it.
